The Megapanos Wine Club News

February 2910

The Restaurant of the Month of Megapanos Wine club is back again!

In the past three years, a great number of you have attended one or more culinary events organized by the **Megapanos Wine Club**.

We are now pleased to announce the beginning of the new season for the **Restaurant of the month**. We invite you to discover the most culinary 'interesting' restaurants and tavernas of our town and to taste their most particular dishes accompanied by our wines. Restaurateur Timos Petrides, founder of the restaurants "Kallisti" in Athens and "1800" in Oia, Santorini, and partner of the Gourmet Club, will join us in this effort, providing his experience and assistance.

On our website, you will find a brief description of the restaurant's menu for the evening and our wines that will accompany the dishes. At each such event there will be a **Megapanos Wine Club** welcome point, where you will be able to purchase your admission and you will receive coupons for the lottery that will take place at the end of the evening.

In the framework of this new concept for the **Restaurant of the month**, the **Megapanos Wine Club** recommends restaurants that are in a class of their own. The criteria for choosing the restaurants will be according to the quality of the services provided and not necessarily to the price of the meal. During each such event we will have the opportunity to discuss topics around wine and its pairing with different dishes. We also hope that this could be a good opportunity for members of the **Megapanos Wine Club** to get acquainted and we will encourage our friends to share their tables with others in order to exchange thoughts.

We would like to ask those of you who intend to join us to come more or less around the indicated time in order to complete the happening within a reasonable time range and not to be tedious. The idea is to get up from the table feeling that what we saw, learned, ate and drank was worth every penny.

There is no subscription fee to **Megapanos Wine Club**. In order for us to contact you, we would like to have your e-mail address and mobile phone number. You can submit them by clicking <http://www.megapanos.gr/contact.php>

For reservations please call Mr. Timos Petrides at: 210 6548389 or 6944386175.

We wish you and your families a Happy New Year and we are looking forward to seeing you in one of our forthcoming gatherings.

The Megapanos Wine Club suggests as Restaurant of the month the Tavern Anoixi

On Wednesday, 10th of February 2010 at 9.00 p.m.

The first night out of the renewed Megapanos Wine Club for 2010 will find us in a relaxed mood without formalities at the neotaverna ANOIEH. As we know, in the taverns generations of Greeks have tasted traditional dishes. The old fashion taverns have been adapted to the current needs, thus a better environment, more careful services, attention to the aesthetics of the dish, no smell coming out of the kitchen, presence of bottled wines on the table etc.: that is the definition of the “neotaverna”.

The stuff of ANOIEH consists of Helen Kyriakopoulou, the chef and his son, George responsible for the service. They do it very well, so the guests feel like being at home. Enjoy the Arcadian genuine hospitality and the wonderful flavors.
